	<p>Margaret's Church, NRW has confirmed that they have no objection to the felling of the tree. BC has reviewed the relevant CCC documentation regarding tree-felling procedures and noted that an arborist is required to formally condemn the tree before any action can be taken. A Land Registry search has been carried out, confirming that the land on which the tree stands is unregistered. An email will be sent to the Tree Safety Officer at CCC requesting advice and support in progressing this matter, with Cabinet Member Cllr. Jane Tremlett copied into the correspondence.</p>	All
10	<p>Recognition and Thanks:</p> <p>Thanks were expressed to local businesses for their continued support with events and donations throughout the year, and to HT for chairing the meeting.</p>	All
11	<p>AOB :</p> <p>Advertisement Request:</p> <p>The Spring Well banner request was discussed. The Springwell Inn had asked for the Council's permission to erect three banners on the fencing of the motorhome park. The item was deferred, as the Council must await further discussions regarding the future set-up of the motorhome park before a decision can be made.</p> <p>Carcass Report:</p> <p>The Clerk reported to the Council that an individual had notified her of a deceased deer washed up on the beach. The Clerk attended the site, documented the matter, and has been in communication with CCC regarding its removal. CCC has confirmed that they are responsible for the removal of livestock from public areas; however, as a deer is not classified as livestock, there is uncertainty as to whether they will be able to assist in this instance.</p> <p>Planting Committee:</p> <p>NB is establishing a committee for the planting group and will prepare a constitution. She will also approach Parc Cynog regarding potential grant funding. HT confirmed he is happy to supply boards, and the Council will look at forming a working group to progress the project. If volunteer numbers or time constraints become an issue, the Council will consider commissioning a carpenter, using funds raised from last year's Christmas event, to assist with the village planters.</p> <p>Meeting Closed: 20.35</p>	Allp
